

2008 Concert Dates

Our spring season is winding down, and there are a couple of dates left for your calendars.

- **Sat. May 3, 6:00 PM—TSU Fine Arts Building, Recital Hall.** Joint flute choir recital with Sara Nichols's Towson group.
- **Sunday May 18—Meeting and Munchies.** The board would like to end the year with the first Annual May Meeting. We would like to spend some time talking about the past year, successes and shortcomings as a group. We would like your input to help make things run more smoothly and efficiently and to make the BFC the best it can be. Everyone's opinions and comments are important, so although it is not a rehearsal, attendance is important. Join us and bring a favorite munchie to share.

In the works for Fall 2008:

- October performance at Mercy Ridge
- We will **not** be participating in the Columbia Flute Festival in the fall.

May 4, Meeting May 18

No Rehearsal on:

May 11 - Mother's Day

All rehearsals for the 2008 spring season will be held in the Smith Building at St. John's Church. Rehearsal location will be reevaluated during the summer for the fall season.

There was some talk about getting a quick concert with fun/easy listening music together during the summer just to keep us playing from May-Sept. More info to come.

Planning Ahead for the Fall:

First rehearsal after summer will be held on **Sunday, Sept. 7, 2008.**

Special points of interest:

- *At our last board meeting, we finalized the paperwork that the lawyer needed from us, so we are again waiting to find out our status.*
- *Thanks to the following people who are giving their time to play the Department of Aging gigs for the flute choir: Deb Weiner, Kristi Aho, Laurel Ewell and Martha Seay. This will put a little money in our quickly-dwindling account. Way to go, girls!*
- *Meeting and Munchies info. Make your favorite appetizer, dip, dessert, whatever you like to eat! We will need a couple of people to bring drinks and paper products, so if that is more up your alley, please let Jenna know.*
- *Annual May Meeting Topics include: budget, schedule for Fall/Winter 2008, what went well, what needs to be improved, questions, concerns from anyone who wishes to bring anything up. Have a topic you want added to the agenda, let us know!*

End Of Summer Picnic

Jenna Loomis has hosted the last couple of end-of-summer picnics in August. It has been a nice kick-off to the beginning of the new season. We will hopefully be moving sometime this summer, and August will be crunch-time. If anyone would like to host this year's picnic, just let me know! We'd like to have a date for this before the May meeting. If you host, you get to choose the date!
